### ***THE RUN GOES SOMETHING LIKE THIS***

The last Tuesday of 2015 is with us, where has this year gone. Another very hot day in Summerhill barely a cloud in the bright blue sky a Hasher in Beijing must be wishing he is here to see what the sky is like. Spyder calls ON ON only a medium length run tonight turn left into Hardwicke St all on chalk. Hash Pash who is here early tonight as he is holidays from Metro leads the pack out onto Hardwicke St and says did he say left or right. No one can remember, Electric Eric checks left and calls ON ON. The well marked trail takes the

pack into a bush track behind the Summerdale school via Morris and Jessica St. A check at the school brings the pack back together. Buggy is calling ON ON he has picked up the trail in Lucy Place. The trail takes us to St Patricks College via Morris St and Westbury Rd. The trail now heads into Willow Lane reserve, the trail winds its way through the eastern side of the reserve then crosses Willow lane and into the Western side of the reserve

where we find the ON Home sign in the storm water easement. A kilometre to go and we are back at Spyders ready for a cold Boags or two.

## ON ON:

Fortunately Spyder has set a medium length run and we are back at the ON ON site and out of the heat of the summer sun in about 45 minutes. We are greeted by a few sludge arse runners who used various excuses for not arriving early enough to do the run. The club is in disarray there are no skolling mugs, no raffle prizes and no bell to ring. The G.M Electric Eric is with us tonight as his Indonesian Visa has expired, the G.M improvises and the raffle is underway as are the skulls. Hash Pash has bought a friend John with him tonight to increase the numbers as we have not had many runners for the last couple of weeks due to the Christmas break.

## Skulls:

Hip flasks are hard to come by in LH3 you have to earn them by completing a 1000 runs. The run sheets were been tallied up the other week, 946, 947, 948, 949, 1000. A trip is made to the wholesales and a flask is purchased and is engraved with the Hashers name and date of his 1000th run. The Tally sheets are rechecked and the Hasher realises he has miscalculated the Hasher earning the flask is 50 runs short. Up you get Hash Pash the mathematician.

Returned runner Deep Shit is the next to skull followed by our visitor John..

The Hare Spyder finishes off the skulls.

## Joke of the Week

An old, blind cowboy wanders into an all-girl biker bar by mistake...

He finds his way to a bar stool and orders a shot of Jack Daniels.

After sitting there for a while, he yells to the bartender, 'Hey, you wanna hear a blonde joke?'

The bar immediately falls absolutely silent.

In a very deep, husky voice, the woman next to him says, 'Before you tell that joke, Cowboy, I think it is only fair, given that you are blind, that you should know five things:

1. The bartender is a blonde girl with a baseball bat.
2. The bouncer is a blonde girl with a 'Billy-Club'.
3. I'm a 6-foot tall, 175-pound blonde woman with a black belt in karate.
4. The woman sitting next to me is blonde and a professional weight lifter.
5. The lady to your right is blonde and a professional wrestler.

'Now, think about it seriously, Cowboy ... do you still wanna tell that blonde joke?'

The blind cowboy thinks for a second, shakes his head and mutters, 'No ... not if I'm gonna have to explain it five times'...
